This property should and get
 in some of these
 there is also a shed
 Start school along the
 other side of creek
 and get water in it
 when having a lot
 there are a lot of ~~children~~
 children
 in this school and
 neighborhood.

WATER PROTECTION PROGRAM

We lived here for 20 years at
205-1010 Ave of Crescent
then Born & then up at
123 West Copfield for 14 yrs.

Also lived at Hudson & Crescent with daughter
10 yrs.
This Ave live here around all my life
And his going on 62

All these Bridges I block long on
Crescent. there is 3 Bridges. Its really
very bad, because they have the Bio Products
where they find dead animals to make dog food
& such. That creek / was contaminated back in
late 50's-60's when it was a chicken plant.
from there,

Bridge Crescent Elkhart	Bridge Elkhart Crescent	Bridge Elkhart Crescent	Bio Products Bio Products Crescent
Crescent			

All of East & West Crescent.

There are snakes, fumes, rats, in there
that creek. Its not good for anything around
here. And I also lost the sale of my
home last year. It has never started
my house, but came close several times.
The city of Aurora, never takes care of
it, we had to beg every yr for them to cut
under 5ft tall.

Stream Usage Survey

1. Stream Name (Please enter the full name)
2. County (Please enter the county or counties where the use occurs)
3. City or Town (Please enter city or town closest to the area of use)
4. Where do you use the stream? If use occurs in multiple locations, please list them all below. (Please be specific so the location can be identified on a map, e.g., 9th Street Bridge, Anytown City Park, Quarter Section-Township-Range, Latitude/Longitude, etc).
5. Have you or your family personally used the stream at this site(s) for recreation since Nov. 28, 1975?
☐ Yes If Yes, go to Question #6 ☒ No If No, go to Question #11
6. Have you or your family personally used the stream at this site(s) for any of the following whole body contact recreation activities? Please select all that apply:
☐ Swimming ☐ Tubing ☐ Snorkling/Skin Diving ☐ Water Skiing
7. How many times per year have you or your family personally used the stream for these activities?
8. Have you or your family personally used the stream at this site(s) for any of the following secondary contact recreation activities? Please select all that apply:
☐ Fishing ☐ Wading ☐ Boating ☐ Trapping
9. How many times per year have you or your family personally used the stream for these activities?
10. How many of these times did children wade or play in the stream?
11. Have you observed or heard of others using the stream at this site(s) for recreation since Nov. 28, 1975?
☒ Yes If Yes, go to Question #12 ☐ No If No, go to Question #17
12. Have you observed or heard of others using the stream at this site(s) for any of the following whole body contact recreation activities? Please select all that apply:
☐ Swimming ☐ Tubing ☐ Snorkling/Skin Diving ☐ Water Skiing
13. How many times per year have you observed or heard of others using the stream for these activities?
14. Have you observed or heard of others using the stream at this site(s) for any of the following secondary contact recreation activities? Please select all that apply:
☒ Fishing ☒ Wading ☐ Boating ☐ Trapping
15. How many times per year have you observed or heard of others using the stream for these activities?
16. How many of these times did you observe or hear of children wading or playing in the stream?
17. Do you have additional comments you would like to provide the department regarding this stream?

I witnessed these recreational activities in the spring of 2008 commuting to and from work. This most likely still occurs; however, I no longer work in the same location and no longer frequent that area of town.

18. In the event the department has questions, please provide the following contact information:

First Name: Last Name:
Address 1: Address 2:
City: State: Zip Code: -
Phone Number: () - ext. E-mail:

Thank you for taking time to complete our stream use survey. We appreciate your interest and involvement in protecting and preserving the quality of Missouri's waters. If you have questions or additional comments, please contact John Hoke, UAA Coordinator, at 1-800-361-4827 or (573) 526-1446, by e-mail at cleanwater@dnr.mo.gov, or by mail at P.O. Box 176, Jefferson City, Missouri 65102-0176.
